How would your business or organization benefit by sponsoring one of the Northern Lebanon Recreation and Parks Commission events or programs? Your participation will show community support and involvement. Advertising will reach thousands of residents throughout the Northern Lebanon region. Your company or organization's name will be in print, posters, flyers, verbal announcements and more.

Northern Lebanon Recreation and Parks will work diligently to provide the residents with community based events which are vital to the recreational and growing needs of our neighbors. Concerts in the Park, Touch A Truck Day and Holiday Workshops are a few Community Special Events to enjoy seasonally. In addition, pre-school, youth, adult and senior programming will be offered year round to provide not only opportunities for personal growth and enjoyment, but also endless sponsorship possibilities.

We invite you to become a sponsor to help make every event and program we offer a success. In addition to doing something great for your community, you will receive the many benefits that additional advertising has to offer.

Sponsorship is a critical element in the success of our programs. Without the generous support of neighbors like you, our department could not provide quality, affordable programming. Monetary Donations are greatly appreciated, but we can also accept merchandise and services as well. Sponsorship levels vary depending on the program or event. Large or small, we can find a sponsorship opportunity to fit your budget.

Thank you for considering to become a sponsor. Together we can enhance recreational activities and facilities in our own back yard. We look forward to working with you in the near future. If you have any questions, please feel free to contact Suzanne Guirate, Director of Recreation at 717.865.5425 x7103 or sguirate@norleb.k12.pa.us.
